

Member-to-Member Discount Program

How does it work?

Each year every Quesnel & District Chamber of Commerce member will receive a membership card *free*. This card can be used at participating businesses to receive a discount or other benefit. Discounts are intended to be on a business-to-business basis: not for employees' personal use. Participating businesses will have the Member-to-Member Discount Program Logo printed beside their listings in the Chamber of Commerce Directory. There will also be a page dedicated to listing the participating businesses and their offer.

What can I offer?

Members of the Chamber of Commerce vary widely. Make your offer one that will suit your business and provide strong incentive for other businesses to come to you! Some suggestions are: 10% off a product or product line, a punch card for savings, buy ___ get ___ free... the sky is the limit! See page 9 of the Chamber Directory to get ideas.

How will the Program benefit me?

It saves you money!

It can bring *business customers* to you. Remember, business customers are often stable, repeat customers.

The Program encourages businesses to support each other by shopping local, keeping our dollars in Quesnel.

The added features in the Chamber Business Directory bring additional exposure to participating businesses.

FAX TO: 747-0126 OR Mail in with your Membership Renewal

YES! I want to participate in the Member-to-Member Discount Program!
